My dear Inur and Käthe, I also  
was very glad to hear from you  
after a long time that you are quite well  
about 4 weeks ago I wrote a card and  
asked you for speaking with Mr Küttner  
about possibilities for an export business  
from Shanghai to Palestine. Also I have  
written to Mr. Küttner about two  
weeks later and I do not know if  
my letters arrived there. Please  
let him know that Chinese goods  
are very cheap and interesting

in the whole world, f. i.:  
silk underwears worn hand made  
embroideries, all kinds of hand-made  
laces (for table clothes etc) handkerchiefs,  
gloves etc. furthermore Thomas - bottles  
and many other goods well known  
in Palestine. I am very glad  
that you are not feeling much  
of the trouble in the world and  
I hope that we altogether  
would be quite well and happy.  
Please write me as soon as  
possible.

Many regards for you,  
Tova and Haim your uncle  
K. Küttner
