Dear Sister and Bro,

ENGLAND.

Hope that you are enjoying a nice Sunday as I am enjoying here. It is really one of the best days that I have seen here, and it makes me homesick for the good old picnics and Sunday outings that were part of the life that I know and love so well before the time came for me to go in the Army.

How is work now, and how are both of you feeling lately? I haven't heard from you in quite some time and wondering if you are just busy with work or if you are not feeling well. Write and tell me all the news.

Also, you might ask Betty where she visited in England and where her folks live, or give her my address if she cares to write. Naturally I cannot tell you even what part of England I am in but I was curious to know if I am anywhere near where Betty visited when she was here.

Tell Betty that I like some things about England, too but I certainly know why her folks like California a lot better than this little isle. Maybe it is a lot nicer here in the summer, but I have seen too much bad weather to ever like England. Today is one of the best days that we have had here, however, and I can't complain much today.

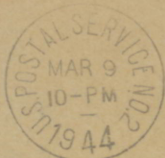

Write soon and tell me all the news. I like to hear from you. May God bless you and keep you in good health.

Lots of love, Clifton
